

American Cancer Society of the Capital Region

Associate Board of Ambassadors (ABOA) 2026 Membership Information

Associate Board of Ambassadors

Pillars of Focus

MISSION	MENTORSHIP	IMPACT
Implement mission-focused activities and participate in volunteer activities to improve the lives of people with cancer and their families through advocacy, research, and patient support.	Provide members with opportunities for professional development with other members and to network with current and emerging leaders across a variety of industries.	Support ACS fundraising events and to host unique and memorable events to engage communities in raising funds to help end cancer as we know it, for everyone.

ABOA members contribute in different ways, but all play a meaningful role in advancing the American Cancer Society's mission and impact in our community.
